at Medical University Vienna
in Vienna on February 20th-22nd 2025.**

Organized by

European Academy of Phoniatics in cooperation
with the Medical University of Vienna, Austria

EAP Board

ao.Univ.Prof. Dr. Berit Schneider-Stickler
Dr. Barbara Arnold
Izv. Prof. Dr. Ana Đanić Hadzibegovic
Prof. Dr. Sanja Krejović
Prof. Tamer Abou-Elsaad, MD, PhD
PD Dr. Matthias Leonhard
Barbara Maciejewska, MD, PhD

WELCOME REMARKS

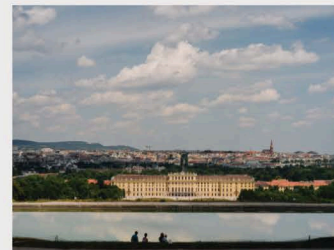

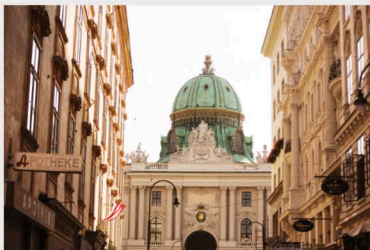

Dear Friends and Colleagues,

The European Academy of Phoniatics (EAP) invites you to the comprehensive training course on “Phoniatics” in Vienna in 2025!

The EAP was founded to build up organizational structures and European quality standards on medical training and practice to endeavour the best phoniatic patient care. The EAP offers a basic training program for candidates who are interested in the future European Board Examination of Phoniatics (EBE Phoniatics). The course follows the UEMS-accredited phoniatic logbook with didactic lectures and hands-on workshops. It provides a comprehensive program of all main topics of the fields of Phoniatics: voice speech, language, pediatric audiology and swallowing. All topics will be presented by an esteemed faculty with speakers from all over the world.

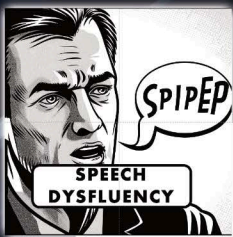

Join us in an exciting adventure of knowledge exploration, experience exchange and friendship building.

Berit Schneider-Stickler,
President of the European Academy of Phoniatics

PROGRAM

Thursday, February 20th 2025

8:00 Registration
8:30 Welcome

Introduction

8:40 History of Phoniatics Oguz
8:50 European Board Examination of Phoniatics Arnold
9:00 Biomechanics of verbal communication from phonation to hearing Denizoglu

Fluency Disorders

9:20 Classification and etiology of fluency disorders Paulus
9:40 Qualitative and quantitative assessment of fluency disorders Arnold
10:00 Evaluation of verbal and non-verbal communication Rohlf
10:20 Discussion
10:30 Coffee Break

Speech/Articulation Disorders

10:50 Etiology and classification of dysarthria Abou-Elsaad
11:10 Diagnostics and therapy of dysarthria Leonhard
11:30 Classification of cleft palate Kurz
11:50 Diagnostics and therapy of cleft palate Kranebitter
12:10 Dysglossia and velopharyngeal insufficiency Paulus
12:30 Orofacial myofunctional disorders Denk-Linnert
12:50 Discussion
13:00 Lunch

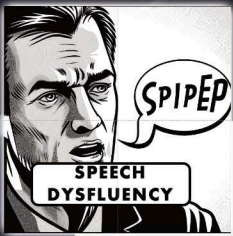

Swallowing Disorders

14:00 Basics of the physiology and terminology of swallowing Abou-Elsaad
14:15 Pediatric dysphagia and feeding disorders Kranebitter
14:30 Neurogenic/psychogenic dysphagia Denk-Linnert
14:45 Swallowing in tracheostomized patients Leonhard
15:00 Mechanical dysphagia after head and neck tumor therapy Danic-Hadzibegovic
15:15 Treatment, rehabilitation and prevention of dysphagia Abou-Elsaad
15:30 Discussion
15:40 Coffee Break

16:15- Hands-on-course: Swallowing

17:45 Flexible laryngoscopy, fiberoptic evaluation of swallowing
18:30 Come together

PROGRAM

Friday, February 21st 2025

8:00 Welcome

Hearing Disorders in Pediatrics

8:05	Development of hearing and auditory processing in children	Arnold
8:20	Hearing disorders in children	Honer
8:35	Audiological diagnostics in pediatrics	Maciejewska
8:50	Classification of hearing loss	Hirschfelder
9:05	Types, fitting and selection of hearing aids in children	Maciejewska
9:20	Technology, surgery and rehabilitation of cochlear implant	Mürbe
9:35	Electric-acoustic stimulation	Neumann
9:50	Bone-anchored and implantable hearing aids	Büyükcatalay
10:05	Adenoidectomy/tonsillotomy/tonsillectomy/paracentesis	Paulus
10:20	Discussion	

10:30 Coffee Break

Acquired Language Disorders

11:00	Overview of neuroanatomy and neurophysiology related to acquired language disorders	Rohlf
11:15	Assessment and service delivery in acquired language disorders	Danic-Hadzibegovic
11:30	Classification of aphasia	Abou-Elsaad
11:45	Treatment programs and approaches	Neumann
12:00	Discussion	

12:15 Lunch

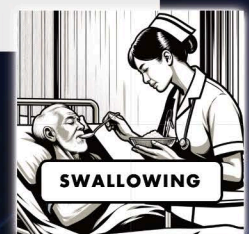

Dyslexia and Dysgraphia

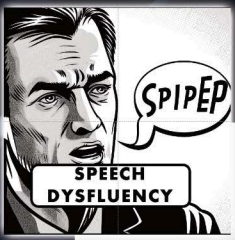

13:30	Symptoms of dyslexia and dysgraphia	Kurz
13:45	Diagnostics and tests of dyslexia and dysgraphia	Maciejewska
14:00	Management and treatment of dyslexia and dysgraphia	Maciejewska
14:15	Discussion	

14:30 Coffee Break

Hands-on-course: Pediatric Audiology

15:00-17:00	Tympanometry, audiometry, transient evoked otoacoustic emission, brainstem audiometry, cochlear implant, hearing aid devices	
-------------	--	--

PROGRAM

Saturday, February 22nd 2025

8:00 Welcome

Developmental Language Disorders

8:05	Development of language	Neumann
8:20	Neurolinguistics and neuropsychology	Rohlf
8:35	Genetic counselling in children with suspected language and hearing impairment	Hirschfelder
8:50	Attention-deficit/Hyperactivity disorder	Hirschfelder
9:05	Autism spectrum and pervasive developmental disorders	Rohlf
9:20	Developmental language delay/late talker	Neumann
9:35	Assessment of language developmental disorders	Neumann
9:50	Treatment in children with language developmental disorders	Neumann
10:05	Discussion	
10:15	Coffee Break	

Voice Disorders

10:45	Principles of anatomy, physiology and biomechanics of voice	Malki
11:15	Acoustics of voice and articulation	Mürbe
11:30	Voice Diagnostics	Schneider-Stickler
11:45	Organic voice disorders	Oguz
12:00	Malregulative/non-organic voice disorders	Hacki
12:15	Phonosurgery	Mürbe
12:30	Conservative treatment of voice disorders	Krejovic
12:45	Discussion	
13:00	Lunch	
14:00	Vocal health	Büyükatalay
14:15	Voice rehabilitation after laryngectomy	Çobanoğlu

Tracheostomy

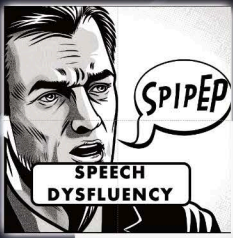

14:30	Tracheostomy	Schneider-Stickler
14:45	Tracheal tubes and tracheal care	Leonhard
15:00	Discussion	

15:15 Coffee Break

Hands-on-course: Voice Diagnostics

15:45-17:30	Flexible/rigid laryngoscopy, high speed imaging, narrow band imaging, voice range profile measurement, voice acoustics	
-------------	--	--

FACULTY

Prof. Tamer Abou-Elsaad, MD, PhD

President-elect of the International Association of Communication Sciences and Disorders (IALP)

Chair of the Committee of European Board Examination of Phoniatics of the EAP
ORL Department, Faculty of Medicine, Mansoura University, Mansoura, Egypt

Dr. Barbara Arnold

Vice President of the European Academy of Phoniatics (EAP)

President of the German Professional Association of Phoniatic Specialists
Private office in Munich (Office for ENT/Phoniatics and Pediatric Audiology
Munich, Germany

Z. Çiler Büyükkatalay, MD, MSc

Associate Professor

Ankara University Faculty of Medicine, Türkiye

Otorhinolaryngology Head and Neck Surgery Department, Ankara, Türkiye

Assoc. Prof. Dr. H. Bengü Çobanoğlu

MD, MSc (in audiology and speech disorders)

Department of Otorhinolaryngology Head and Neck Surgery

Medical Faculty, Karadeniz Technical University, Trabzon, Türkiye

Assoc. Prof. Ana Danic Hadzibegovic, MD, PhD

General Secretary of the European Academy of Phoniatics (EAP)

Clinical Department of ENT and Head and Neck Surgery

University Hospital Center Zagreb, Croatia

Assoc. Prof. Dr. Ilter Denizoglu MD, PhD, MSc

Founder of Vocology Centre, Izmir, Türkiye

University Lecturer of Pedagogical Vocology (Dokuz Eylul University Conservatory, Opera

Division), University Lecturer of Clinical Vocology (Tinaztepe University Faculty of Health
Sciences Speech Language Pathology)

Ao.Univ.Prof.Dr. Doris-Maria Denk-Linnert

Chair of the Section of Phoniatics of the Austrian Society of Otorhinolaryngology, Head
and Neck Surgery

Head of the Department of Phoniatics and Speech Language Therapy

Medical University of Vienna, Austria

Prof.Dr.Dr.h.c. Tamás Hacki

External member of the Hungarian Academy of Sciences

Professor (retired) University Regensburg, Germany

Honorary Professor of the Semmelweis University for Medicine Budapest and of the

Eötvös Loránd University of Sciences Budapest, Hungary

Dr. Anke Hirschfelder

Head of the Division Hearing, Speech and Language

Department of Audiology and Phoniatics

Charité University Hospital Berlin, Germany

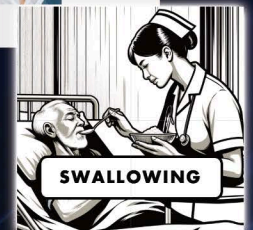

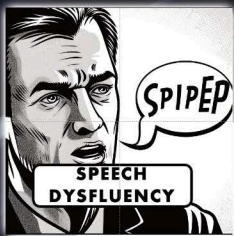

Priv.-Doz. Dr. Clemens Honeder, PhD

Department of Otorhinolaryngology

Medical University of Vienna, Austria

Christian Doppler Laboratory for Inner Ear Research

FACULTY

Dr. Veronika Kranebitter
